Soluzione funzionale e innovativa che permette di contenere in modo sicuro il pc. Grazie alle sue dimensioni compatte si adatta perfettamente anche agli ambienti contenuti, come la sala radiologica e lo studio. Dotato di supporto per monitor orientabile e cassetto push pull per tastiera, è progettato per mantenere tutto in ordine.

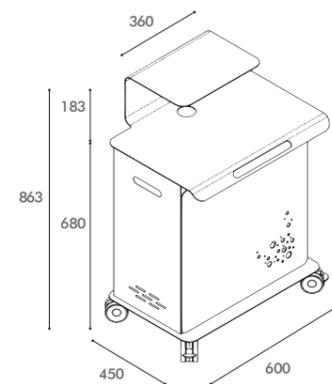

/Functional and innovative solution to securely contain the pc. Thanks to its compact size it fits perfectly even in small rooms, such as the radiology room and the office. Equipped with a swivel monitor stand and push-pull keyboard drawer, it is designed to keep everything tidy.

caddie

Pratico ed ergonomico, questo carrello permette di contenere la strumentazione elettronica che necessita di essere spostata da una sala all'altra all'interno dello studio, utilizzando la pratica presa a maniglia. La mensola rialzata è utile per facilitare l'appoggio dei dispositivi essenziali quali scanner intraorali e scalari.

/Practical and ergonomic, this cart allows you to hold electronic instruments that need to be moved from one room to another within the practice, using the convenient handle grip. The raised shelf is useful for easy storage of essential devices such as intraoral scanners and scalars.

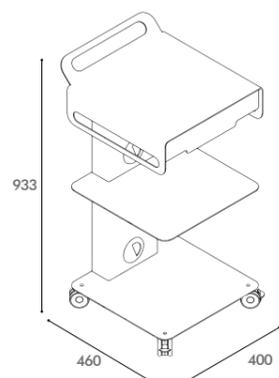

flexi

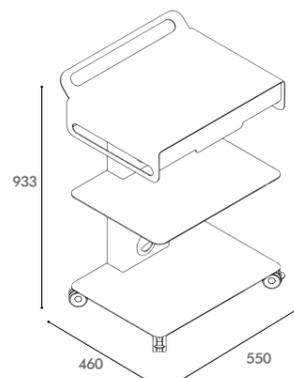

Tutti gli strumenti sempre comodamente a disposizione. Si adatta in modo ottimale anche agli spazi ridotti, dove i piani di appoggio non sono mai sufficienti. E' dotato di tre ripiani elettrificati, un cassetto con chiusura ammortizzata e una maniglia integrata per rendere più semplici e veloci gli spostamenti.

/All tools always conveniently at hand It fits optimally even in small spaces where there are never enough supports. It is equipped with three electrified shelves, a drawer with soft-closing mechanism and an integrated handle to make moving around easier and faster.
